## SPONSORING RIOT RI

Since 2009, RIOT RI has worked to help girls, women, trans, and gender-expansive individuals empower themselves through music. We use music creation and critical thinking to foster empowerment, collaborative relationships, and the development of healthy identities. And we need your support!

**At RIOT RI, we focus on music's ability to mobilize, unify, and invigorate people to create social change.** Music is a powerful tool that connects an individual's expression to collective thoughts, emotions, and actions. Our goal is to use music's unifying force to empower individuals and communities to join together and create positive change for themselves and for society as a whole. We believe that, in a culture that values girls and women for their appearance and sexuality rather than their character, they need support to create a strong sense of identity and self.

Since 2009, RIOT RI has provided empowering programming for more than 1500 participants. Our scholarships also strive make music programming accessible to whoever wants to attend: More than 50% of RIOT RI participants qualify for and receive financial aid.

### How you can help!

For 2025, RIOT RI has brought back our Adult Rock Camp program, and registration is roaring ahead!

Your sponsorship also offers visibility for your business during the build-up to Adult Rock Camp, during the weekend-long session, and at the end-of-camp Showcase on Sunday, February 2 at AS220 Main Stage—as well as a digital presence on our website and social media.
